

## EAGLE RIVER NORDIC SKI CLUB

### Student Athlete Race Travel Scholarship Form

We encourage student athletes to participate in volunteer activities of the Eagle River Nordic Ski Club by offering a scholarship program to help pay for travel costs associated with out-of-town ski race competitions. The amount of the scholarship is proportional to the number of credits accumulated during your volunteer work on club projects. One hour of volunteer work equals 1 credit and about \$10 of travel scholarship. Volunteer work includes coaching Jr Nordic, train maintenance and development, putting up signs etc. You must track and submit the hours to a ERNSC board member in charge of coordinating the activity and obtain their approval. Submit this completed form to Rosalyn Singleton (696-2702), Joe Lammers or Marty Parsons.

To qualify for this scholarship:

1. Applicant must be an individual or family member of the Eagle River Nordic Ski Club
2. Money may be requested either before or after the actual race date.
3. Scholarship money may only be used for Nordic Ski Races travel or registration fee.
4. Credits are given for volunteer work done as part of an approved ERNSC program.
5. Credits are non-transferable and are not carried over from one year to the next.
6. Credits must be earned before they can be claimed.
7. Volunteer work must be supervised and verified by an ERNSC Board Member
8. The amount of scholarship given in a year will depend on club finances. The scholarship dollar amount per credit is not guaranteed. Effort will be made to allocate the funds as equitably as possible, but late applications may have to be denied if available funds have been expended.
9. Applicants should usually redeem at least 5 credits per application. All applications are due before March 15.
